### Welcome

Welcome to the first of our new look UEHA newsletters, bringing you up to date on the work of the committee with regard to conservation and the upkeep of the estate. We're keen to distribute future updates via email, so please check at the end of this issue for how to join the email distribution list.

### Appointment of Committee Administrator

The UEHA committee is pleased to report that Rochelle Parkes of 60 OW has been appointed as a part-time paid administrator to ensure that the UEHA committee operates effectively and efficiently. This will build on the excellent voluntary work done for many years by Catherine Cooper. Rochelle will now be the contact point for all matters relating to committee business.

You can get in touch by emailing [uplandsestate@gmail.com](mailto:uplandsestate@gmail.com), or by letter c/o 60 Orchards Way.

## Estate Gardeners

We are also pleased to report that Bethany Cooper of 3 OW (left) and Melissa Bateman of 40 OW (right) have been appointed to carry out some of the smaller gardening works on the estate. This used to be done by John Dunckason who has now retired. 'New Life Garden Services' will continue to do their excellent work as our main contracted gardeners.

## Christmas on the estate

### Bring on the lights!

Thanks again to Jilly Fordham for organising the Christmas tree on the estate. This is an initiative from Jilly and the costs are met by voluntary contributions from residents so please feel to add your donation. You can do this via the link to Pay Pal on the Whats App group or put your contributions through the door at 35 O/W. Sadly, there'll be no drinks and carols this year for obvious reasons but any surplus money collected will go to local charity.

## The Role of the UEHA committee

All our properties are part of a conservation area and subject to extra development controls. This is via restrictive covenants contained in property leasehold agreements and by an Article 4 Planning Direction.

As a result, a committee of volunteer homeowners is charged with ensuring that:

- development and conservation guidelines are followed
- advice and support is provided to home owners considering development
- public areas of the estate are properly maintained.

## Future Committee Meeting Dates

The committee meets monthly except for August, usually on the first Monday of the month.

Meeting dates: Tuesday 8 December, Monday 4 January, Monday 1 February, Monday 1 March, Tuesday 6 April, Monday 10 May. AGM 2021 – Thursday 20 May
